ACHIEVEMENTS

18/01/2017 - CURRENT

Founding and running two branches of the Social Democrats

- Spearheaded the creation of both my home branch of the Social Democrats in Longford Westmeath and the renewal of the Trinity Social Democrats during my time in university
- Managed the two branches as both chair and secretary of the branches at different times
- Oversaw the candidate selection and nomination process in Longford Westmeath for the local election in 2019
- Grew both branches to substantial sizes and facilitated over 20 events in both areas in order to grow the profile of the party
- Sat on the party's national council and relayed information back to the two branches
- Coordinated two motions for the national conference to adopt and successfully managed to pass them

26/03/2022 - CURRENT

Assisting refugees locally

- Facilitated the growth and development of conversational groups between Ukrainian refugees and Irish volunteers across three refugee centres in the Athlone area in order to allow the progression of English skills and the fostering of local connections.
- Authored key documents and webpages relating to the asylum process for New Horizon Athlone
- Interpreted on a regular basis between Russian and English for upwards of 40 Ukrainian and Georgian refugees, between French and English for 5 refugees from various parts of Africa, and between Spanish and English for a refugee from El Salvador.
- Designed and displayed informational posters regarding services in Athlone and English classes

16/10/2016 - CURRENT

Organising and operating my own English classes

- Designed and distributed advertising material, both online and in person, for my classes, drawing students in from a wide base
- Worked with over 50 students from 23 countries of all levels of proficiency, from absolute beginners to almost fluent learners
- Prepared 20 students for examinations such as FCE, CAE, IELTS, and OET while also getting other students ready for interviews
- Advised students on life in Ireland and assisted them in adjusting to life in a new country

13/06/2019 - 20/07/2022

Enhanced a company's online brand

- Initiated the role of social media officer at Fine Athlone
- Developed a consistent style and brand for the company through creating a social media plan and adhering to it
- Doubled the number of followers for the company on Instagram through following a strategy and posting engaging and relevant content
- Successfully devised regular campaigns and competitions on the company's social media, resulting in a growth in followers each time
- Restructured and redesigned the website in order to make it more mobile-friendly
